

## WHAT IS A SCHOOL PARENT COMPACT?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

### Effective Compacts:

- \*Link to academic achievement goals
- \*Focus on student learning
- \*Share strategies that staff, parents, and students can use
- \*Explain how teachers and parents will communicate about student progress
- \*Describe opportunities for parents to observe, volunteer, and participate in the classroom

## JOINTLY DEVELOPED WITH PARENTS

The parents, students, and staff worked together and shared ideas to develop the school –parent compact. A Parent Round-Up is held each September to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback at any time. All feedback will be collected and reviewed during the annual revision meeting with parents.

## BUILDING PARTNERSHIPS

There are many opportunities at our school for parents to volunteer and play a role in their child's education. Please consider joining the faculty, staff, and fellow parents through some of our yearly events and programs.

### COMMUNICATING ABOUT LEARNING
